Attach to this application a scale drawing of the shape and dimensions of the lot; location of streets and alleys; all existing and proposed buildings and distances from buildings to lot lines; any proposed and existing off street parking.

NOTE: This application is not acceptable unless all required information is furnished and accurate. If a survey is required by the Zoning Administrator to determine property lines, it shall be at owner's expense. Every permit issued by the Building Official under the provisions of this code shall expire by limitation and become null and void if the building or work authorized by such permit is not commenced within 90 days from the date of such permit, or if the building or work authorized by such permit is not completed within two years from issuance of permit.

The above information is, to the best of my knowledge, true and accurate. It is understood and agreed that any error, misstatement or misrepresentation of fact, either with or without intention on my part, such as might, if known, cause a refusal of this application, or any alteration or change in plans made without the approval of the zoning administrator, subsequent the issuance of the building permit, shall constitute sufficient grounds for the revocation of such permit.
