Maintenance report: Dale Larson reported that he emptied garbage cans, checked the parks, pushed the dump in and removed items that should not have been in there, shut off and turned on a couple of waters, marked curb stop on Missouri Avenue, mowed ditches, spent most of a day with Morris, SD Rural Water, picked up branch piles, worked on street sweeper, worked with Rod Berens on a water leak, filled holes on some streets and Rich painted the parking stripes and keeps up with the mowing.

Old Business:

Eric Prunty with Brosz Engineering met before the council and informed them that he talked with Scott, Randall Community Water, and was informed that they are ready to move forward with the water tower project. Eric indicated that the facility plan would have to be updated. Eric asked Donna to mail that to him.
