

## 21<sup>st</sup> Annual Bike for Life Sept 8, 2018 – [www.bikeforlifesd.org](http://www.bikeforlifesd.org)

### Our Mission:

To raise money to support the Alpha Center and its ultrasound ministry by riding bike from Armour, SD, to the Alpha Center in Sioux Falls.

### Our Story

Pastor Nabil Nour started Bike for Life in 1997 to raise funds to purchase an ultrasound machine for the Alpha Center so that expecting mothers and fathers might better realize that the living organism inside the woman is not just a blob of tissue, but rather a gift from God, the Creator of Life.

Since then, by the Grace of God and with the aid of the Alpha Center and the ultrasound machine, we know that over 2,500 babies have been spared and over \$100,000 has been raised to promote the preciousness of the Gift of Life!

### Join us:

- By riding with us from Armour to Sioux Falls or join us along the way at one of our rest stops (Parkston, Freeman, Parker)
- Volunteer to help provide support out at the rest stops

### Donate:

Please make checks payable to Southeast South Dakota Lutherans for Life (SESD-LFL) and mark them "Bike for Life" on the memo line and mail to:

SESD Lutherans for Life  
PO Box 265  
Menno, SD 57045

### Prayers For:

- A safe journey for our riders
- All who are contributing in any way
- The mothers and babies
